WHAT TO BRING AND MORE INFO..

 **You will need to bring your own food for the weekend.** Saturday night there will be a complimentary supper after the meeting. There is a kitchen with a large fridge and cooking facilities. Please bring your own pots, pans, utensils and plates etc There are also numerous BBQ's on the grounds to use.

 This is a weekend where families are welcome and there are lots for children to do. (It's a great place to bring the kids push bikes!)

Please bring your own camp chair to guarantee a seat at the meeting.

We ask that children and teens be supervised by their parents or guardian over the weekend.

 A good tip is that the road from Goulburn to Wombeyan Caves is a lot better than the road from Mittagong to Wombeyan Caves. We advise you take this route if you are traveling from Sydney.

 Please do **not** bring dogs or any other pets to Wombeyan. It is now a National Park. Please expect to be asked to leave or face serious fines from the park Ranger if you bring pets!
